

DO YOU...

Have a pulse?
Love God?
Love students?

We're looking for adults to join our team.

Our Student Ministry needs

YOU!!

Where can you plug-in?

- HANDS ON TEAM** -- Adults willing to invest in students and attend IGNITE, midweek program. Students need relationships with adults, do you have one to offer?

- RESOURCE TEAM** -- Do you have a swimming pool? A big backyard? A suburban? Would you like to help with our special events (snow, retreats, camps, etc.)? Any special skills to offer (computers, drama, clog dancing)? Jot down where you'd like to plug-in and/or the resources you wouldn't mind the Student Ministry using on occasion.

- PRAYER TEAM** -- Tired of standing? We need people on their knees for our Student Ministry. Be a prayer parent one Wednesday a month or provide your email address to receive weekly prayer requests.
